Arkanoid runs on the Atan ST with colour monitor (or television) and mouse.

THE GAME

The era and time of this story is unknown. After the mothership "Arkanoid" was destroyed, a spacecraft. "Vaus" scrambled away, only to be trapped in the void . . You control the Vags and have to penetrate 32 levels and then confront the "Dimension Changer" whom you must desiroy is order to reverse time and ressured the

"Askanold". Francic setion and split second timing combine to produce the most addictive and compulsive CATON.

LOADING

Switch on the power to the computer and disk drive then insent the disk injurie drive. Select the ARKANOID PRG File with the mouse and double-click the left or right mouse button. The program will load and display the tide acreen. When the disk drive light goes out you may start the came by pressing the right of left mouse buttons. Alternatively pressing the "I" or "I" keys will switch. the program between one and two player mode and man the game.

CONTROLS

The game is controlled by a mouse plugged into Port 8 on the comparer. Left and Right movement of the mouse. control the Varia on acreen, so ensure that you have enough room to move the mouse and a good surface to roll it on

Use either the mouse button to fire the laners or release th ball when "Caich" is in operation.

You considithe Yaus craft which can be exceed left or right.

Press the space bar to pauce the game.

HOW TO PLAY

Using your skills, you must deflect an energy bolt which. will gradually break down the walls confronting you. Certain coloused bricks must be hit more than once and others are completely indestructable. Align life forms descend at random to hinder you but are eliminated on contact with either the energy bolt or the Vaus craft. You are aided in your attempts with energy Capsules which are hidden beyouth certain bricks and released. apon their destruction. Each capacie has a different power and to denoted by a letter painted on its side. These are as follows:

5 — Slows down the speed of the energy bolt, making it easier to position yourself.

 C — Enables you to catch the bolt, move to the desired. position and then fire.

- E Expands the Vaus craft, giving you more chance to deflect the bolt
- D Disrupts the belt into these separate components thereby giving you three times the effect.
- Arms your Vees with a laser allowing it to shoot bricks.
- B Breaks the section of the wall enabling your Very graft an alternative escape route to slip through to the next
- P Awards you an extra life.

STATUS AND SCORING

On screen scoring displays curreer score, hi-score. number of lives remaining and level analysed. Points are awarded between 50 and 120 for knocking out a brick, depending on the colour. Collecting a capsule is: 5000 and hitting amalien accords 100 points. Extra lives are awarded for collecting the "F" capsules, when you reach 20,000 points and every 50,000 (hereafter, If you reach the high score table use the keyboard to enter your initials then press RETURN to finish.

HINTS and TIPS

#If using the keyboard, pressing both shifts at the same tame stope the Vaus:

giving your better reaction time.

- * The disruption capsule is of great use if your bolt is: capaly behind or enclosed within a wall.
- The laser is most useful to break down the bricks which require a mumber of him.
- a Uning the very edge of your vaca to deflect the bolt will give you a much sharper angle — most useful for
- maneouvering it into restrictive places. GOODLUCK
